Members,

At their meeting last night, the District Board of Directors unanimously approved our successor MOU, which takes effect January 1, 2015. I have heard from so many of you expressing your thanks to the bargaining team and I can tell you that it means a lot to each of us. We will be meeting with management to make sure every "t" is crossed and "i" is dotted in the document before sending it off to print (we're shooting for next week). Thank you for all of your support and participation. This is a good contract—which is why we feel a celebration coming on...

CELEBRATION SURVEY

Please take a minute to respond to this very brief survey regarding options for our MOU celebration! Deadline to respond is Friday, September 5.
