Members:

Great job with the petitions! We have picked up momentum and on Tuesday, November 12 the three Unions will take our message to the District's Board of Directors. We will speak at the beginning of the meeting, under public comment. Please try to be there to show your support of our collective ask: ***Respect, Trust, Peace.***

The meeting begins at 6:00 and public comment is at the top of the agenda. We will leave after comments are completed. We will provide light refreshments in A-143 beginning at 5:00 before assembling in the Board room at approximately 5:50. Please use the voting buttons at the top left to let us know if you will be there so we can plan accordingly.

I would like to thank all the members and leaders who have worked on the petition drive. Also, thanks to ES for circulating their own petition and to PMA and its members for signing our petitions!

Our message is simple: We can do so much when we have respect and trust and when we accept that we are all in this together – *One District!*
